Captivated by You is the fourth book in the continuing series by novelist Sylvia Day. It takes the story further and encompasses the period between Gideon and Eva eloping and their actual wedding. At this time, very few of their good friends know of their real marital status. The novel may be read as a standalone book but when read as part of the series, it offers a more in-depth reading experience since there are a number of references to characters and past events from the earlier books. Captivated by You is more than just a romance; it may have sexual and steamy love-making scenes but that is now part of the genre. A complex story that does not end when the guy gets the girl; it actually starts with the guy getting the girl and goes on to check out their sexual lives and their psychological fears and needs. Dominance, the need for power, and the underlying sexual longing all have an impact on their relationship. Summary of Leaving Time includes book review, story analysis, highlights of
